

City of Los Angeles Mail - Beachwood Drive Dangerous

I just returned from the market and I had a near miss with the skate boarder because I had to swing over the middle line to avoid one of the families Sarajane describes with kids running in the middle of the road. In that 1/2 mile stretch with no sidewalks there were at least 2 dozen people walking down in the pitch black in the middle of the road all in dark clothing. I saw the guy in the skateboard at the market and suggested he wear a reflective vest and let him know I didn't see him and nearly hit him.

Would you tolerate this if Beachwood was your home and community. I suspect not so why do you find it acceptable for us? Close Beachwood to pedestrian access!

Isn't there a role for the equal protection clause in the constitution in this situation? Neither the homeowners nor the pedestrian tourists are being adequately protected by the city.

You are more than well-versed in the tragedy of vehicles hitting pedestrians and how it changes the lives of everyone involved.

I say this because I know it has affected you and your family directly.

Both you and I know it's just a matter of ....tick...tock...tick...tock TIME....and BOOM and an innocent life is taken by a driver here in Hollywoodland.

I'm sure you agree as I do with Rose that Hollywoodland and Lake Hollywood Estates should be gated.

Los Angeles welcomed a record 44.2 million visitors from around the globe in 2014, making it one of the most-visited destinations in the U.S., and forecasts call for continued growth with 50 million visitors by 2020.

The City Attorney, Garcetti's Girl aka Sarah D. and their Puppet Ryu (none of whom live in the district) don't give a damn about public safety. They've stated they are keeping the illegal city-developed Vista open. It's all about keeping LA's #1 business thriving: tourism.

C4, HHA & LHHA promoted the signage that geo-targeted our area. C4, though they have the power they won't remove the signage or the geo-targeting that directs the public to our residences.

Ryu's predecessor took every Hollywood Sign photo op he could, yet he'd still close down the area on holidays. However, when Ryu visited it on a holiday, he got stuck in traffic and called LAPD police escort to haul him out. Coward, opportunist, elitist?? Maybe all three.

If you're anywhere near upper Beachwood Cyn or the Vista, sell your homes or lease them to tourists before values dive and your yards become parking lots, ash trays, dumps and toilets. If you stay, vote the leadership out of the groups that have hurt us.

It's only going to get worse:

One other consideration for our community is to RECALL DAVID RYU. Interested parties please share thoughts on this, or we will be stuck for 5 years of this.

Thank you.
